

## ***BioThane® Coated rope (Leashes round)***

**BioThane® Coated rope** has easy-to-tie round profile, which is soft to the touch with excellent flexibility even in cold temperatures. The material is very easy to grip, has fair abrasion-resistance and coating tear strength and excellent weather resistance. The material is ideal for dog leashes, especially tracking leashes.

### ***Biothane Beta round colours overview***

 <i>Black</i>	 <i>Neon orange</i>	 <i>Red</i>
 <i>Brown</i>	 <i>Neon green</i>	 <i>Light green</i>
 <i>Light brown</i>	 <i>Neon yellow</i>	 <i>Lila</i>
 <i>Wine red</i>	 <i>Neon pink</i>	 <i>Blue</i>
 <i>Grey</i>	 <i>Pastel pink</i>	 <i>Light blue</i>

***Warning:*** please be aware that the neon colours may leave colour on surroundings (therefore store separately) and also fittings may leave imprint on Biothane® over longer time – these are not objects to make a claim as well as the mechanical damages.
